

FUN IN THE SUN

POINTS OF INTEREST ★ SUMMER CAMP ★ SESSION 4: ANIMAL KINGDOM

"LIONS AND TIGERS AND BEARS, OH MY"

Animals of every kind abounded during our two week study of friends both furry and scale covered. A visit from the RAD Zoo brought us up close and personal with a corn snake, python, and even a tortoise. The children were mesmerized by the array of creatures and many took the opportunity, though some with trepidation, to pet them.

During the second week, we journeyed out east to St. Paul for a tour of the Como Zoo. Favorite sights included: the enchanting butterfly exhibit, the playful baby orangutan, the sleepy polar bears, and the inquisitive tamarin monkeys. - The Summer Camp staff

A rescheduled visit from the Plymouth Fire Department during this session gave the children a chance to check out all their cool equipment!
